 DRAUGHTMASTER EXTRA10

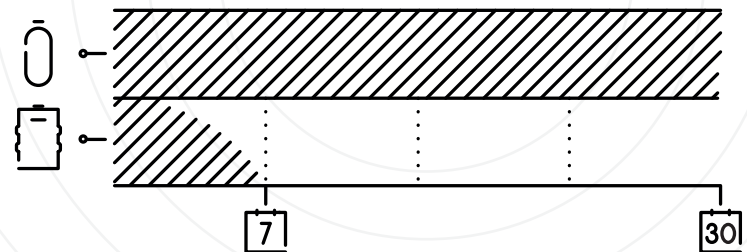

EXTRA FRESH

Want to serve draught but worry about freshness? We've got you! DraughtMaster Extra10 keeps 10 litres of beer brewery-fresh for 30 days, so you can always serve perfectly chilled draught without waste.

FRESH FOR A MINIMUM OF 30 DAYS

Unlike steel kegs that, once opened, begin to deteriorate and only stay fresh for up to 7 days, our sealed-in system keeps beer fresh for a minimum of 30 days.

EXTRA SPACE

Smaller bar? Don't settle for bottles! The compact DraughtMaster Extra10 serves a full 10 litres of beer fresh from the tap giving you more space and giving your customers the draught beer they love.

MORE COMPACT THAN BOTTLES

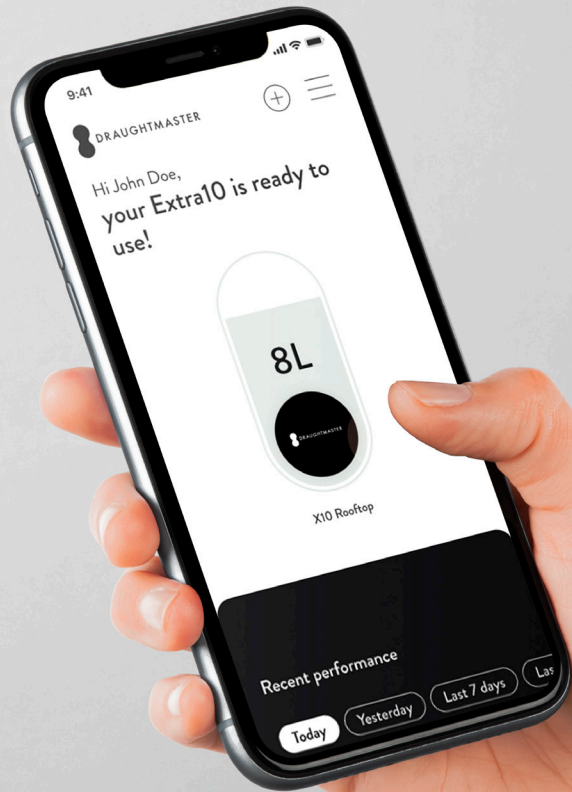

The Extra10 keg takes up less space than the equivalent volume of beer in bottles.

GET MORE FROM EACH KEG

Our kegs are the largest amongst small draught machines.

DON'T STORE EMPTY KEGS

Our kegs compress during use and don't need to be stored. This will free up more space in your venue.

COMPANION APP

Optimise the performance of the DraughtMaster Extra10 with the companion app and monitor:

-  **VOLUME OF BEER REMAINING**
-  **CUSTOM NOTIFICATION AT SELECTED VOLUME LEVEL**
-  **PERFORMANCE BY HOUR, DAY, WEEK, MONTH**
-  **TEMPERATURE, KEG EXPIRATION DATE, KEG TIME IN MACHINE, HARDWARE PROBLEMS**
-  **EXTRA10 AND DRAUGHTMASTER FAQs**
-  **HALO LIGHT CONTROL**
-  **LANGUAGES AVAILABLE: ENGLISH, FRENCH, ITALIAN, PORTUGUESE, DANISH AND GERMAN**

OUR BEERS

With our beer staying fresh for so long, you can broaden your portfolio to offer a whole new raft of draughts, including Craft, Speciality or Seasonal varieties.

DraughtMaster also makes changing kegs super simple, so more beers won't mean more work.
